か	う		か	く	→	いて
ま	つ	→	お	よ	→	いで
と	る		は	な	→	して
す	む		く	る	→	きて
あ	そ	→	す	る	→	して
し	ぬ		い	く	→	いって

## How to Conjugate Verbs into Te-form

### Ru-Verb (Ichidan/ Group II)

Simply change the verb ending る to て

ex. たべる ⇨ たべて (to eat)

おきる ⇨ おきて (to wake up)

### U-Verb (Godan/ Group I)

Te-form conjugation differs depending on what sound the verb ends with.

Refer to the te-form song to memorize the rules.

ex. かう ⇨ かって (う ending changes to っ) (to buy)

#### Exception

いく ends with く but does not follow the rule.

いく is an exception and the te-form becomes 行って

### Irregular Verbs (Group III)

There are only 2 irregular verbs: くる and する, and other verbs that end with them.

くる ⇨ きて (to come)

する ⇨ して (to do)
